

17th ANA Meeting 2021, Unipark Nonntal, Salzburg

Tuesday, September 28th

Lecture Hall 1		Lecture Hall 2		Foyer & Gallery	
09.15 - 10.15	ANA Board Meeting			09.00 - 12.00	Admission for registered participants
		10.00 - 11.15	VIRTUAL Young ANA Symposium Job Opportunities in Research and Beyond Life Science Karriere Service Chair: Bruno BENEDETTI (Paracelsus Medical University) g.tec medical engineering, Austrian Institute of Technology, San Group, People & Organizational Development, Red Noses, Janssen Pharma		
12.00 - 12.30	Opening Ceremony Welcome Address Landesrätin Andrea KLAMBAUER Simone WEISS (ITG) Rector Hendrik LEHNERT (University of Salzburg) Rector Wolfgang SPERL (Paracelsus Medical University) ANA President Francesco FERRAGUTI (Innsbruck Medical University)				
12.45 - 13.45	Keynote Lecture Manuel SCHABUS (University of Salzburg) Cognition in Altered States of Consciousness Chair: Maximilian JÖSCH (IST Austria)				Exhibition
14.00 - 15.00	Oral Presentations I Neuronal Networks & Activity Chair: Peter JONAS (IST Austria)				Exhibition
15.15 - 15.45	Poster Flash I Chair: Ramon TASAN (Innsbruck Medical University)	15.15 - 16.15	Special Lecture – Computational Neuroscience Stephen VERMEULEN (CIO, EBRAINS AISBL) Discover EBRAINS Chair: David VANDAELE (IST Austria)		Exhibition
				15.45 - 17.00	Exhibition & Poster Session I Coffee & Snacks
17.00 - 18.00	Mini-Symposium Epigenetic Processes in Brain Development & Aging Chair: Simon HIPPENMEYER (IST Austria) Nicole AMBERG (IST Klosterneuburg) Jerome MERTENS (University of Innsbruck) Valentina CINQUINA (Medical University of Vienna)	17.00 - 18.00	Special Lecture – Advanced Technologies Superresolution Microscopy Chair: Rupert LANZENBERGER (Medical University of Vienna) Johann DANZL (IST Austria) Stephan SIGRIST (Free University Berlin)		Exhibition
18.15 - 18.45	Poster Flash II Chair: Marco TREVEN (Medical University of Vienna & KLI)				Exhibition
		18.45 - 19.30	Young ANA Symposium The Real Power of Brain Networks: Community Driven Innovation The Brainstorms Chair: Bruno BENEDETTI (Paracelsus Medical University)	18.45 - 21.00	Exhibition & Poster Session II Drinks & Risotto

17th ANA Meeting 2021, Unipark Nonntal, Salzburg

Wednesday, September 29th

Lecture Hall 1		Lecture Hall 2		Foyer & Gallery	
08.30 - 09.30	Keynote Lecture Luca BONFANTI (University of Turin) The Search for Young Neurons in the Adult Mammalian Brain: History, Twists and Future Perspectives Chair: Sébastien COUILLARD-DESPRÉS (Paracelsus Medical University)			08.00 - 12.00	Admission for registered participants
09.40 - 10.40	Oral Presentations II Neurological Disorders & Regeneration Chair: Sigi HUCK (Medical University of Vienna)	09.50 - 12.10	Interdisciplinary Symposium Explaining Consciousness? – Searching common ground between neuroscience and philosophy Chair: Markus KUNZE (Medical University of Vienna) Thomas BUGNYAR (University of Vienna) Rupert LANZENBERGER (Medical University of Vienna) Georg GASSER (University of Augsburg) Daniel WEHINGER (University of Innsbruck) Stephen MÜLLER (University of Salzburg)		Exhibition
11.00 - 12.00	Oral Presentations III Cognition & Behavior Chair: Johannes PASSECKER (Innsbruck Medical University)				Exhibition
12.00 - 12.30	Poster Flash III Chair: Simone SARTORI (University of Innsbruck)				Exhibition
				12.30 - 14.00	Exhibition & Poster Session III Lunch
14.00 - 15.00	Mini-Symposium Ion Channels & Channelopathies Chair: Gerald OBERMAIR (Karl Landsteiner University Krems) Xaver KÖNIG (Medical University of Vienna) Petronel TULUC (University of Innsbruck) Yousra EL GHALEB (Innsbruck Medical University)	14.00 - 15.00	Mini-Symposium EEG, MEG and fMRI: Hot New Science in Cognitive Neuroscience Chair: Manuel SCHABUS (University of Salzburg) Christopher HÖHN & Kerstin HÖDLMOSE , Fabian SCHMIDT (University of Salzburg) Martin KRONBICHLER (University of Salzburg)		Exhibition
15.15 - 16.15	Oral Presentations IV Ion Channels & Neurotransmission Chair: Bernhard FLUCHER (Innsbruck Medical University)				Exhibition
16.40 - 17.00	Pioneer in Austrian Neuroscience Award Awardee will be announced at the ceremony Chair: Francesco FERRAGUTI (Innsbruck Medical University) Sponsored by Siemens Healthineers				Exhibition
17.00 - 17.30	Otto Loewi Prize Lecture Awardee will be announced at the ceremony Chair: Roman ROMANOV (Medical University of Vienna) Sponsored by Peter & Traudl Engelhorn Stiftung				Exhibition
17.45 - 18.45	Keynote Lecture Vanja NAGY (Medical University of Vienna) Deciphering the 'Sulfation Code' of the Brain Extracellular Matrix Chair: Sofia GRADE (IMBA)				Exhibition
		19.00 - 20.00	Public Lecture – Öffentlicher Vortrag (GERMAN) Wolfgang KLIMESCH (University of Salzburg) Gedächtnis, Gehirnschwingungen und Bewusstsein Chair: Isabella SARTO-JACKSON (KLI)		

17th ANA Meeting 2021, Unipark Nonntal, Salzburg

Thursday, September 30th

Lecture Hall 1		Lecture Hall 2		Foyer & Gallery	
		08.30 - 09.30	ANA General Assembly	08.00 - 12.00	Admission for registered participants
09.30 - 10.30	Keynote Lecture Ludwig AIGNER (Paracelsus Medical University) 3R for the Brain: Repair, Regeneration & Rejuvenation Chair: Sandra SIEGERT (IST Austria)				Exhibition
10.50 - 11.50	Oral Presentations V Stem Cells & Development Chair: Lora SWEENEY (IST Austria)		Satelliten-Symposium (GERMAN) Elementarpädagogik & Neurowissenschaften Chair: Natascha TASLIMI (NeBÖ) Manfred SPITZER (University of Ulm) Karin LANDERL (University of Graz)		Exhibition
12.00 - 12.30	Poster Flash IV Chair: Andreas LIEB (Innsbruck Medical University)	11.00 - 15.00	PODIUMSDISKUSSION Martina KÜNSBERG SARRE (NEOS) Sibylle HAMANN (Die Grünen) Karin LANDERL (University of Graz) Natascha TASLIMI (NeBÖ) Monika UDE (NeBÖ) Isabella SARTO-JACKSON (KLI) Sigismund HUCK (Medical University of Vienna)		Exhibition
				12.30 - 14.00	Exhibition Poster Session IV Lunch
14.00 - 15.00	Mini-Symposium Clinical Neuroscience: Epilepsy Chair: Eugen TRINKA (Uniklinikum Salzburg) Martha FEUCHT (Medical University of Vienna) Eugen TRINKA (Uniklinikum Salzburg) PANEL DISCUSSION		Moderation: Marlene NOWOTNY (Ö1)		Exhibition
15.15 - 15.45	Best Thesis Lecture Simon NIMPF (IMP) Investigating the Neuronal Basis of Magnetoreception in the Pigeon Chair: Johannes PASSECKER (Innsbruck Medical University)				
15.45 - 16.15	Best Poster, Best Oral Presentation, Best Poster Flash Awards Chair: Bruno BENEDETTI (Paracelsus Medical University)				
16.30	FAREWELL
